Connector of People, Ideas and Energy

Jahmeelah is an educator and by evening she is a community advocate encouraging others to live without borders.

Bridging the gap between generations, races, genders and abilities, we live in a time where compassion, connection and truth is necessary. Using her platform and a microphone, **Jahmeelah** amplifies the voices of those struggling and who are seeking the permission to speak up and speak out.

Jahmeelah's Audience Loves...

Education - Disability Awareness - Advocacy
Children - Students - Parents - Schools
Hosting - Speakers - Branding - Television
